

CURRICULUM VITAE

General information

Name: Misho

Surname: Hristovski

Date of Birth: 21.07.1956

Place of Birth: Kocani, R.Macedonia

Nationality: Macedonian

Present Citizenship: R.Macedonia

Present place and country of residence: Skopje, R.Macedonia

Contacts:	Office:	Private:
Mailing address:	Lazar Pop Trajkov 5-7, 1000 Skopje, Macedonia	Kozle 88/2/3, 1000 Skopje, Macedonia
Telephone numbers:	+389 2 3240 728	
Mobile:	+389 75 244 040	+389 70 244 040
Fax numbers:	+389 2 3114 619	
Email:	hristovskim@fvm.ukim.edu.mk	hristovskim@hotmail.com

Education:

- **1994 - Doctor of Veterinary Sciences.** DSc thesis: "Investigation of infections in cattle caused by herpesvirus 1 in Republic of Macedonia with different diagnostic methods". Faculty of Veterinary medicine – Belgrade, Serbia
- **1986- Master of Veterinary Sciences.** Master thesis: "Investigation of emulsions characteristics of lamb's liver".
- **1983-1986 - Postgraduate studies.** Faculty of Veterinary medicine-Belgrade, Serbia
- **1975-1981- Graduate studies.** Faculty of Veterinary medicine – Belgrade, Serbia

Degrees and Titles:

- **2005, present** – Dean of the Faculty of Veterinary medicine, Skopje
- **2004, present** – Professor, Biology and pathology of fish, Biology and pathology of honey bees, Biology and pathology of wildlife, Animal hygiene and environmental protection, Head of laboratory for diagnosis of fish and honey bee diseases, Head of laboratory for diagnosis of rabies, Faculty of Veterinary medicine, Skopje
- **1999-** Associate professor, Biology and pathology of fish and honey bees, Biology and pathology of wildlife, Head of laboratory for diagnosis of fish and honey bee diseases, Head of laboratory for diagnosis of rabies, Faculty of Veterinary medicine, Skopje
- **1994-** Assistant professor, Biology and pathology of fish and honey bees, Biology and pathology of wildlife, Head of laboratory for diagnosis of fish and honey bee diseases, Head of laboratory for diagnosis of rabies, Faculty of Veterinary medicine, Skopje

- **1986-** Research Assistant, Veterinary institute- Skopje, Department of cattle diseases
- **1983-** Junior assistant ,Veterinary institute- Skopje, Department of foodstuff control

Fields of Research (*Key words*):

Animal hygiene; Ecology; Environmental protection; Biology and Pathology of fish, honeybees and wildlife; Rabies; Trichinellosis;

Working experience (*short notes*):

Clinical and laboratory diagnosis of fish, honeybee and wildlife diseases; Monitoring, control and laboratory diagnosis of rabies and trichinellosis in wild and domestic animals ; Ecological implications regarding animal breeding

Languages (*Level of proficiency*):

- Macedonian (mother language)
- English (excellent)

Specializations (training courses):

- **1999-** "Fish diseases"- Danish Veterinary Laboratory - Aarhus, Denmark
- **1997-**"Diseases of honey bees"- CIHEAM, International centre for advanced Mediterranean Agonomic studies, Tunis
- **1994-**"Wildlife diseases course"-Veterinary Scientific Institute, Novi Sad, SR.Yugoslavia
- **1991-**"Traning course for cattle virusology"-Central scientific Veterinary-medical institute, Sofia, Bulgaria
- **1990-** "Traning course for rabies diagnosis" - Institute "Luj Paster"Novi Sad, Yugoslavia
- **1989-** " Training course for rabies diagnosis " - Ljubljana , Slovenia
- **1988-** "Virology training course" Veterinary Institute - Belgrade, Yugoslavia

Membership:

- **2008-Present** Member of the MC of the COST Action 867 "Welfare of fish in european aquaculture".
- **2006-2008** Member of the Executive Committee of the European Association of Establishments of Veterinary Education (EAEVE).

- **2003-** General and responsible editor of magazine "Macedonia fishing"
- **2003-2005** – Member of the National Scientific Committee for management of genetically modified organisms
- **2002-** General and responsible editor of beekeepers informant "Nektar"
- **2001-Present** General secretary of Beekeeper's Union of Macedonia
- **1999-Present** Member of National Committee of biological variety
- **1999-Present** Member of Committee for implementation of Bonn's convence
- **1999-Present** Member of committee of minister of environment
- **1999-Present** Member of Agricultural Commission , Macedonian Department
- **1999- Present-** Trapper's union, President of the Commission for the protection and researched projects
- **1999-Present** - Member of the Commission for the hunting kinology at the Balkan union.
- **1998-2006-** President of sports fishing association of Macedonia
- **1992-2008-** Member of the Commission for competent examination at the Ministry of agriculture, forestry and water management
- **1996-Present-**Establisher and president of NGO, The National forum for animal protection of Macedonia
- **1993-Present** -Member of the Publication Committee at the Macedonian veterinary review

International membership:

- **EWDA-European Wildlife Disease Association**
- **WSPA- World Society for Protection of Animals**, Headquartes 2 Langley Lane London SW8 1 TJ United Kingdom
- **EAFP- European Association of Fish Pathologists**, The marine Laboratory PO Box 101 Victoria Road , Aberdeen AB 11 9 DB Scotland

Research projects:

- **2006-2008** – Production of filetted and smoked trout in Republic of Macedonia
- **2005-2007** – Bee selection for disease resistance and production of bee medications from plants for eco beekeeping

- **2002-2005** - Biomonitoring of heavy metals in hunting animals
- **2002-2004** – Irrigation rehabilitation and restructuring project Ministry of Agriculture, forestry and water economy – Study of long term management of Algae in the Irrigation schemes Tikves and Bregalnica – Mak fish - konsultant
- **2003 -2005** - Epizootiology of American foul brood in Republic of Macedonia
- **2003-2005** - The last balcan lynx
- **2003-2005** - Study for long term management of algae in the irrigation schemes Tikvesh and Bregalnica
- **1999** - "The problem of the macedonian eel" - Winner of The Henry Ford European Foundation for Conservation
- **1998-2000** - Investigations the characteristics of diseases at the fishes in Republic of Macedonia"
- **1997-1998** - Wild animals - reservoirs and transmitters of the zoonoses
- **1995-1996** - Immunoassay Technologies for diagnosis of livestock diseases
- **1994-1996** - Comparison of classical immunoassay techniques and immunoenzyme techniques in brucellosis diagnosis
- **1988-1991** -Brucellosis and Leucosis investigation, diagnosis and methods of eradication

Books:

- "Control of Varroosis", - Faculty of veterinary medicine in Skopje, Skopje, 2009. (in macedonian)
- "Biology, breeding and diseases of fish", - National forum for animal protection of Macedonia, Skopje 2005
- "Marketing and Menagement in Aquaculture", - National forum for animal protection of Macedonia, Skopje 2004
- "Pestis apis at the bees nest" - National forum for animal protection of Macedonia, Skopje 1999
- "Sports fishing association of Macedonia" - National forum for animal protection of Macedonia, Skopje 1999
- "The problem of the Macedonian eel", - National forum for animal protection of Macedonia, Skopje 1999
