COURSE SCHEDULE

FACULTY OF VETERINARY MEDICINE - SKOPJE

ACADEMIC 2026/2027

Vice dean for education,
prof. Ksenija Ilievska

Dean,
prof. Dean Jankuloski

Course schedule, first year winter (I) semester 2026/2027

	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16	16-17
Monday	Student consultation				Histology and embryology 1 (13)		Animal anatomy 1 (2)		
		Chemistry (2)	Chemistry (8)			Animal anatomy 1 (3)			
Wednesday	Anatomy of animals (6)					Histology and embryology 1 (7)			
Thursday	Biophysics (5)		Biophysics (5)		Cell biology (3)		Cell biology (*)		
Friday	Student consultation				Biostatistics (13)	Biostatistics (13)		Student consultation	

Course schedule, second year winter (III) semester 2026/2027

	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16	16-17
Monday	Animal physiology 1 (13)				Animal physiology 1 (*)				Elective course
Tuesday	Elective course	Microbiology 1 (13)		Microbiology (*)	Student consultation				
Wednesday	Animal husbandry 1 (1)		Animal hygiene (1)		Animal hygiene (9)		Student consultation		
Thursday	Student consultation				Animal husbandry 1 (*)		Student consultation		
Friday	Student consultation				Domestic animal general nutrition (1)		Domestic animal general nutrition (1/*)		

Course schedule, third year winter (V) semester 2026/2027

	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16	16-17
Monday		Clinical anatomy of animals (6)				Pathophysiology (3)		Student consultation	
Tuesday	Elective course	Pathophysiology (*)			Parasitology and parasitic diseases (13)		Parasitology and parasitic diseases (*)		
Wednesday	Student consultation		Clinical biochemistry (13)	Clinical biochemistry (*)	Diagnostic imaging methods (3)	Pathology (3)		Student consultation	
Thursday		Elective course	Diagnostic imaging methods (11)			Student consultation			
Friday		Pathology (10)			Pharmacology (3)		Pharmacology (3/*)		

Course schedule, first year summer (II) semester 2026/2027

	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16
Monday		Elective course	Student consultation		Biochemistry (3)			
Tuesday	Student consultation		Nutritious, medicinal and poisonous plants (1)	Nutritious, medicinal and poisonous plants (1/*)		Rural economy (1)	Rural economy (1/*)	
Wednesday	Animal anatomy 2 (13)				Hystology and Embryology 2 (13)		Student consultation	
Thursday	Hystology and Embryology 2 (7)			Animal anatomy 2 (6)				
Friday		Sport and health (**)			Biochemistry (3)			

Course schedule, second year summer (IV) semester 2026/2027

	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16	16-17
Monday			Specific nutrition of domestic animals (13)		Specific nutrition of domestic animals (5)			Student consultation	
Tuesday	Animal physiology 2 (13)				Animal physiology 2 (*)				
Wednesday	Student consultation			Elective course	Veterinary immunology (3)	Animal husbandry 2 (3)		Animal husbandry 2 (3)	
Thursday	Student consultation				Animal hygiene 2 (4)		Animal hygiene 2 (9)		Elective course
Friday	Student consultation	Microbiology 2 (3)		Microbiology 2 (3/*)		Veterinary immunology (3/*)		Student consultation	

Course schedule, third year summer (VI) semester 2026/2027

	08-09	09-10	10-11	11-12	12-13	13-14	14-15	15-16
Monday	Pathophysiology (13)		Student consultation			Pathophysiology (3/*)		
Tuesday	Student consultation				Parasitology diseases (3) and parasitic	Pharmacology (3)		
Wednesday		Parasitology and parasitic diseases (*)			Clinical and laboratory diagnostics in farm animals (4)	Clinical and laboratory diagnostics in farm animals (13/*)		Student consultation
Thursday	Pathology (13)				Pathology (10)			
Friday	Ethology and animal welfare (4)	Ethology and animal welfare (4)	Clinical and laboratory diagnostics in companion animals and equines (4)	Clinical and laboratory diagnostics in companion animals and equines (12)		Pharmacology (4)		Student consultation

LEGEND

- **Bold letters** - Represents the theoretical lectures
- **Italic letters** - Represents the practical lectures

1	Lectures will be held in lecture room 1 (amphitheater)
2	Lectures will be held in lecture room 2 (amphitheater)
3	Lectures will be held in lecture room 3
4	Lectures will be held in animal model room 1 (University veterinary hospital)
5	Lecture/practical classes will be held at the Faculty of Natural sciences and mathematics
6	Practical's will be held in Anatomy dissection room and Anatomy museum
7	Practical's will be held in Microscopy room
8	Practical's will be held in Laboratory for chemistry and biochemistry
9	Practical's will be held in Laboratory for Hygiene, Animal Welfare and Environmental Protection
10	Practical's will be held in Necropsy room
11	Practical's will be held in Radiology cabinet and Radiology practical room
12	Practical's will be held in University veterinary hospital
13	Lectures and Practical's will be held in Computer room
14	Practical's will be held in
*	Lecture room will be defined by the professor/assistant depending of the type of the course
**	Lectures and practical classes will be performed at the Faculty for physical education, sport and health
***	The dates of the schedule provided for consultations with students can be determined by the course professor in another term that is suitable for both sides, in accordance with the Study rules on conditions, criteria, rules and procedure for enrolment and study of the first (under-graduate) and the second (postgraduate) cycle of studies (University Gazette No. 554 of 26.07.2021)

	Course professors can adjust the schedule for lectures and practical's based on the current epidemiological situation in RNM, with the agreement of the students. Any changes made to the schedule must be communicated to the Vice dean for education Additionally, the representatives of the student years must be informed. If teaching is performed in accredited laboratories following ISO standards, it is required to maintain proper records for established procedures.
--	--

According to the Decision of the Teaching -Scientific Council No. 0202-1020/15 form 20 September 2023, course professors and teaching assistants are required to maintain records in accordance with the approved protocols for teaching activities, student assessment and final examinations. These records must be submitted to the Vice Dean for Education at the end of each semester.

Course professors are also required to review and sign the work books completed by students during practical training. By signing the work diary, professor confirms the student's attendance, active participation, and completion of the required practical activities.
